

Public Tender Notice 026/2022

Tegucigalpa, Honduras
June 20th, 2022

The Central American Bank for Economic Integration (CABEI) invites bidders to participate in the **Public Tender 026/2022 “South Korean Consultancy - Integration of Battery Energy Storage Systems (BESS) in Central America”**.

PURPOSE OF THE CONTRACT

CABEI requires to hire a South Korean consulting firm to support the Bank and six (6) regional governments – the Dominican Republic, El Salvador, Guatemala, Honduras, Costa Rica, Panama – with their strategic priority to integrate higher levels of VRE while improving the reliability, stability, and quality of the grid and reducing greenhouse gas (GHG) emissions. Towards this end, the Consultant will collaborate with an international firm hired by the Bank to help identify and create an enabling environment (technical, economic and financial) that can enhance power system flexibility and enable higher levels of VRE through Battery Energy Storage Systems (BESS) applied to the electric systems in the region.

DEADLINE FOR SUBMITTING PROPOSALS

The deadline for submitting proposals is **July 19th, 2022**.

EXPRESSION OF INTEREST

Bidders who wish to participate in the Public Tender must send an email to adqinstitucionales@bcie.org expressing interest in obtaining the Tender’s documentation.

NOTE: As stated in the Terms of Reference, for this Tender the prime bidder must be of South Korean nationality. Consortiums/Joint Ventures are allowed with local, regional, or international consulting firms, as long as the South Korean firm is the prime bidder.
